

Brian T. Hart DDS
Oral and Maxillofacial Surgeon

Dr. Hart has been in practice for over 34 years, spending 26 of those years in private practice in the greater Seattle area. In addition, he has been an Affiliate professor at both Harbor-UCLA Medical Center and the University of Washington School of Dentistry. He is an active member of the American Association of Dental Consultants and continues to clinically practice part time. Dr. Hart also participates in volunteer missions around the world with the Global Dental Relief Foundation.
