Bryan Finley

Experience

2014–Present

Building Inspector • California Property Inspections Inc

I am the owner of the company and perform all functions and inspections. I currently perform inspections on commercial and residential buildings along with forensic inspections for litigation cases. I also offer construction consultations, project management, and currently work with over 500 realtors.

2008–2014

HMEM/ Inspector • emergency essential forward deployed • Department of Defense

I was a heavy mobile equipment mechanic and ground system asset inspector for over-seas operations for the Department of Defense. I was responsible for assessing and repairing battle damaged vehicles in forward deployed theaters.

2004–2006

Machinist • United Defense

I set up and operated CNC machines for a defense contracting company.

University Of Phoenix, Phoenix, AZ

- I completed my 4 year degree in Business Management while forward deployed. 2.89GPA

Leadership

I have over 20 years in management and have the ability to build and develop independently. I have multiple awards from the various government agencies for going above and beyond.
