

# CURRICULUM VITAE

## CHARLES E. KELLER, M.D.

### Summary of Expertise

Charles E. Keller, MD is Board Certified in Ophthalmology with over 25 years of experience caring for patients with complex eye diseases in Southern CA. He completed an advanced fellowship in Cornea. He specializes in non-surgical and surgical treatments utilizing the latest advancements in the treatment of eye problems such as cataracts, glaucoma, diabetic eye disease, retinal disease, corneal disease and eye trauma.

Dr. Keller has been a consistent leader in the Southern CA area in the field of Ophthalmology. He was named Ophthalmologist for the Los Angeles Angels Major League Baseball Team, and he has led hospital teams by serving as the Chairman of the Ophthalmology/ENT Department at St. Joseph Hospital in Orange, CA. He was elected to serve as President of the Orange County Society of Ophthalmology. Dr. Keller consults for pharmaceutical companies providing advice on product improvement and creation. He has performed medical legal consultations for the last 15 years.

Dr. Keller is well known for his ability to translate complex ideas into easy-to-understand terms for medical students and patients. He has mentored medical students since 2016. He communicates clearly and simply to jury members. He currently sees patients in Orange County, California.
