

Chris J Reiff, M.D.

reiff010@gmail.com

(920) 242-1840 (c)

EDUCATION

- 2017-2020 **Fellowship – Cardiovascular Medicine**
University of Minnesota, Twin Cities – Minneapolis, MN
- 2014-2017 **Residency – Internal Medicine**
Medical College of Wisconsin – Milwaukee, WI
- 2010-2014 **M.D. – Doctor of Medicine**
University of Wisconsin – Madison, WI
- 2005-2010 **B.S. – Bachelor of Science**
University of Minnesota, Twin Cities – Minneapolis, MN
Exercise Physiology, Chemistry
Summa Cum Laude with Distinction
Honors and Research Program Graduate

CLINICAL BOARD CERTIFICATIONS

- 2017 **American Board of Internal Medicine (ABIM)**
Internal Medicine
- 2019 **National Board of Echocardiography (NBE)**
Adult Comprehensive Echocardiography
- 2020 **Certification Board of Cardiovascular Computed Tomography (CBCCT)**
- 2020 **Certification Board of Nuclear Cardiology (CBNC)**
- 2020 **American Board of Internal Medicine (ABIM)**
Subspecialty: Cardiovascular Disease
- 2021 **MitraClip Echocardiography Imaging Certification (Abbott)**
- 2023 **Certification Board of Cardiovascular Magnetic Resonance (CBCMR)**

EMPLOYMENT

- 2020-present **General cardiologist**
Park Nicollet, Methodist Hospital – St. Louis Park, MN

HONORS AND AWARDS

- 2009-2010 **President of American Medical Student Association, Local Chapter**
University of Minnesota, Twin Cities
- 2007 **Research Fellowship Grant**
University of Minnesota, Twin Cities
Undergraduate Research Opportunities Program

2023 Quality Academy Graduate
Health Partners

PUBLICATIONS

- 2023 Scott J. Hoffman, MD, Pawan K. Hari, MD, Paul J. Sarcia, MD, **Chris J. Reiff, MD**, Andrew J. Smith, MD, Soma Sen, MD. "Mitral Valve Transcatheter Edge-to-Edge Repair Performed Exclusively with 3-Dimensional Intracardiac Echocardiography and Moderate Sedation." *Journal of Society for Cardiovascular Angiography and Interventions*. 2(1), 2023.
- 2022 Juliette E Power, **Chris Reiff**, Adamantios Tsangaris, Alexandra Hall, Ganesh Raveendran, Demetris Yannopoulos, Sergey Gurevich. "Invasive hemodynamics are equivocal for functional outcomes after MitraClip." *Health Science Reports*. 5(1):e471, 2022.
- 2020 **Christopher Reiff, MD**, Jorge D. Zhingre Sanchez, PhD, Lars M. Mattison, PhD, Paul A. Iaizzo, PhD, Santiago Garcia, MD, Ganesh Raveendran, MD, Sergey Gurevich, MD. "3-Dimensional printing to predict paravalvular regurgitation after transcatheter aortic valve replacement." *Catheterization and Cardiovascular Interventions*. In press, 2020.
- 2018 **Chris Reiff, MD**, Sergey Gurevich, MD, Stephan Bertog, MD, Paul Sorajja, MD, Rosemary F. Kelly, MD, Santiago Garcia, MD. "Validation of STS/ACC TVT TAVR score in Veterans Undergoing Transcatheter Aortic Valve Replacement." *Journal of Invasive Cardiology*. 30 (12): 447-451, 2018.
- 2018 **Chris Reiff, MD**, Emil Missov, MD, PhD. "A Case of Fulminant Lymphocytic Myocarditis Responsive to Immunosuppression." *American Journal of Medicine*. S0002-9343(18)30619-3, 2018.
- 2018 Sergey Gurevich, MD, **Chris Reiff, MD**, Stephan Bertog, MD, Rosemary F. Kelly, Matt Soule, MD, Demetri Yannopoulos, MD, Santiago Garcia, MD. "Transcatheter Aortic Valve Replacement Improves Health Status in Elderly Veterans." *Journal of Invasive Cardiology*. 30 (6): 207-211, 2018.
- 2016 Renee Kursel, MD, **Chris Reiff, MD**, and Nicole Lohr, MD, PhD. "Mycobacterium bovis Associated Mycotic Giant Coronary Artery Aneurysm." *Journal of the American College of Cardiology*. 67 (13): 1141-1, 2016.
- 2015 Sean K. Golden, MD, **Chris Reiff**, Chris J. Painter, MD, and Michael D. Repplinger, MD. "Myasthenia Gravis Presenting as Persistent Unilateral Ptosis with Facial Droop." *Journal of Emergency Medicine*. 49 (1): e23-5, 2015.
- 2013 Michael Pulia, MD; **Chris Reiff, BS**. "Oxycodone insufflation resulting in nasal septal abscess." *Journal of Emergency Medicine*. 46 (6): e181-2, 2014.
- 2012 **Christopher Reiff, BS**; Kara Marlatt, MS; Donald R. Dengel, PhD. "Difference in caloric expenditure in sitting versus standing desks." *Journal of Physical Activity and Health*. 9 (7):1009-11, 2012.

ORAL AND POSTER PRESENTATIONS

- 2019 Cardiovascular Research Technologies (CRT) – Washington D.C.
Chris Reiff, MD, Paul Iaizzo, PhD, Ganesh Raveendran, MD, Santiago Garcia, MD, Sergey Gurevich, MD. “3D Printing may prevent Paravalvular Leak after Transcatheter Aortic Valve Replacement.”
- 2018 Transcatheter Valve Therapies (TVT) – Chicago, IL
Chris Reiff, MD, Sergey Gurevich, MD, Stephan Bertog, MD, Paul Sorajja, MD, Rosemary F. Kelly, MD, Santiago Garcia, MD. “Validation of STS/ACC TVT TAVR score in Veterans Undergoing Transcatheter Aortic Valve Replacement.”
- 2016 American College of Physicians (ACP) – National Meeting, Washington D.C.
Judge outcome: Competition Winner
Chris Reiff, MD, Renee Kursel, MD, Nicole Lohr, MD, PhD. Mycobacterium bovis Associated Mycotic Giant Coronary Artery Aneurysm: a complication of BCG immunotherapy.

TEACHING EXPERIENCE

- 2017-present **Medical Student Tutor**
University of Minnesota Medical School
- 2008-2010 **Undergraduate Science Tutor**
University of Minnesota, SMART Learning Commons
Worked with undergraduate and graduate students in areas of calculus, physics, biology, chemistry, organic chemistry, and analytical chemistry.

CONFERENCES

- 2019 **Cardiovascular Research Technologies**
National Meeting – Washington D.C.
- 2016 **American College of Cardiology**
65th Annual Scientific Session, National Meeting – Chicago, IL
- 2016 **American College of Physicians**
Internal Medicine National Meeting – Washington D.C.
- 2008 **American Medical Student Association**
Chapter Officers’ Conference – Washington D.C.

PROFESSIONAL ORGANIZATIONS

- 2015-present **American College of Cardiology**
- 2014-2020 **American College of Physicians**
- 2014-present **American College of Internal Medicine**
- 2007-2014 **American Medical Association**

LANGUAGES

- 2000-present Spanish – lightly conversational
