Clinical Experience **As a staff nurse anesthetist at Huntsville Hospital I have provided care in all areas of the OR to patients of all ages.**

- Provide anesthesia services at various levels to multiple populations (ASA I-IV).
- Skilled in anesthesia for orthopedic, vascular, neurosurgical, general, gynecological, plastic/reconstructive, ENT, and endoscopic procedures.
- Able to determine appropriate airway management techniques based upon physical examination and surgical procedure.
- Adept at developing and administering a safe, patient-specific anesthetic with limited supervisor participation in various risk-categorized patients for a variety of surgical procedures.
- Has participated in many high acuity cases (craniotomies, Level 1 traumas, large abdominal cases).
- Skilled in MAC technique for various endoscopic cases (colonoscopies, EGD, ERCP, EBUS) as well as for tranesophageal echocardiograms and cardioversions.
- Effective member of team anesthesia care model.
