WORK EXPERIENCE:

Oral & Maxillofacial Surgery Expert Witness Work

January 2007 – present

Expert Witness in the field of Oral and Maxillofacial Surgery and Dentistry since 2007 with over 10 years of experience. I have been retained on over 60 cases and have provided over 40 depositions and have testified for a wide variety of cases related to Oral and Maxillofacial Surgery including facial trauma management, cases related to complicated extraction of teeth, nerve injury, oral pathology and TMJ trauma and disorders, auto accidents involving the maxillofacial region, complications related to corrective jaw surgery (orthognathic Surgery) and cases involving disciplinary actions by California, Nevada and New Jersey State Dental Boards. I have been retained by both plaintiffs and defense counsels representing malpractice and liability insurance companies and have testified in trials in the past.
