

## CURRICULUM VITAE

**JEAN-PAUL (J.P.) DYM, M.D.**  
**25 Silver Crescent, Irvine**  
**CA, 92603**  
**917.817.4669 Cell**  
**JP.Dym@nines.com**

### **PERSONAL INFORMATION**

Born: Boston, MA  
Resides in: Orange County, CA last 8 years  
Married, Two Children

**SPECIALTY** Dr. Dym is in practice as a board and neuroradiology CAQ-certified neuroradiologist who did his fellowship training at Yale New Haven University Hospital and radiology residency at Lenox Hill Hospital in New York City. Until 2020, Dr. Dym was Medical Director and member of the quality assurance team for one of the largest radiology practices in the country. Through this he has reviewed hundreds of misinterpreted neuroradiology studies over the years. This exposure has led him, as an expert in misdiagnosed studies, to lecture extensively regarding medical missed findings and errors. He is now the Medical Director of Nines Radiology, where he is integrating world-class machine learning and workflow tools with the practice of radiology, to help deliver the best quality of care. He currently holds 29 state medical licenses and is on staff at over 300 hospitals throughout the country. His fields of expertise include all stroke imaging, trauma, tumors, and degenerative diseases.

### **EDUCATION**

Undergraduate	1993 - 1997	Georgetown University School of Medicine, Washington, DC, Major in Psychology/Minor in Biology
Medical School	1997 - 2001	Georgetown University Medical School, Washington, DC, MD Degree
Medical Intern	2001 - 2002	Internal Medicine, Department of Medicine, Lenox Hill Hospital, New York, NY
Resident	2002 - 2006	Radiology Resident - Department of Radiology, Lenox Hill Hospital, New York, NY
Fellowship	2006 - 2007	Fellowship in Neuroradiology, Yale New Haven Hospital, New Haven, CT

### **LICENSURE**

Medical Licenses: Dr. Dym is licensed in 29 states. A list will be provided upon request.

### **BOARD CERTIFICATIONS AND LICENSES**

Board certified by the Board of Radiology  
CAQ American Society of Neuroradiology

### **HOSPITAL APPOINTMENT**

Dr. Dym has over 300 appointments to hospitals across the U.S. A list will be provided upon request.

### **PROFESSIONAL EXPERIENCE**

- |                |  |
|----------------|--|
| 2020- Present  | Medical Director, Nines Radiology<br>Leading the clinical team as Nines develops tools and programs to advance the field of radiology and improve patient care. Works closely with engineers and Nines radiologists to employ the newest technology.   |
| 2017 - 2018    | Chief of Stroke Imaging, vRAD (Virtual Radiologic)<br>Leads the entire practice in implementing latest stroke protocols. Interacts with current and potential clients to ensure the standard of care is maintained. Educated over 500 radiologists regarding the current standard of care for stroke imaging as well as changes in practice policies.  |
| 2017 - 2019    | Medical Director, vRAD<br>Associate Medical Director, vRad<br>Primary contact for numerous hospitals and radiology groups throughout the country. Monitor quality metrics with clinical oversight to help manage the practice. Respond and interact with vRAD radiologists ensuring work flow and quality are to the highest standards. Travel throughout the U.S. to assist the sales team in recruiting new clients. Help develop practice policies to ensure best patient care. |
| 2016 - 2017    | Associate Director, Quality Assurance, vRAD<br>Assisted and managed the Quality Assurance team of vRAD. Interacted and guided patient care. Responded to vRAD radiologists with outcome of the submitted discrepancy.  |
| 2014 - Present | Peer Review Team Member, vRAD<br>Reviews and grades reports from radiologists from outside institutes and practices. Contacts the reading physician and/or patient with any significant discrepancies.   |
| 2013 - 2017    | Section Chief, Neuroradiology, vRAD  |

Managed over 70 neuroradiologists in the practice. Designed the recommended stroke protocols and helped integrate the protocols with clients. Helped clients develop their own stroke teams while also assisting clients in obtaining their desired stroke designation. Routinely interacted with the Joint Commission to ensure that both vRAD and clients are up to date with the latest standards. Developed new neuroradiology dictation templates used by vRAD.

- 2013 - Present      Quality Assurance Team, vRAD  
Reviews submitted discrepancies and codes the potential missed finding according to vRAD guidelines.
- 2010 - 2020      Radiologist, vRAD  
vRAD Corporate Office, 11995 Singletree Lane, Suite 500, Eden Prairie, MN 55344. Read all specialties, with a focus on neuroradiology.
- 2007 - 2010      General Radiologist/Neuroradiologist, Department of Radiology, Lenox Hill Hospital, New York, NY  
Covered both general radiology and neuroradiology at this busy, high demand medical center. Primary contact for many of the ordering neurosurgeons and neurologists. Performed head/neck and spine biopsies, myelograms, and other minor interventional procedures. Supervised and taught residents as they rotated through the neuroradiology section.

#### **PROFESSIONAL ORGANIZATIONS**

Radiological Society of North America  
American Society of Neuroradiology  
American College of Radiology  
American Roentgen Ray Society

#### **AWARDS AND HONORS**

Teaching Fellow of the Year at Yale - 2006

#### **INVITED LECTURES/WRITING/MEETINGS**

A list will be provided upon request.
