CURRICULUM VITAE

JOHN J. CARNEY, ESQ.

**Chief Technology Officer
Lead Digital Forensics Examiner
Attorney at Law
Expert Witness
Author and Educator**

PROFILE

Mr. Carney is Chief Technology Officer and lead digital forensic examiner at Carney Forensics. He has a thirty-year software engineering and information technology career. He was educated at the Massachusetts Institute of Technology (MIT) where he earned a Bachelor of Science degree. He is a Minnesota attorney licensed in federal and state courts. He was educated at Mitchell Hamline School of Law where he earned a Juris Doctor degree and Certificate in Dispute Resolution. Mr. Carney is a faculty adviser for Century College's Cybersecurity, Virtualization, and Forensics program. He holds an AccessData Certified Examiner (ACE) certification in computer forensics and Cellebrite certifications in mobile device forensics. He is a Fellow in the Jurisprudence Section of the American Academy of Forensic Sciences.

PROFESSIONAL EXPERIENCE

CARNEY FORENSICS, SCANDIA, MN
Principal

2008 - Present

Carney Forensics works with attorneys, investigators, and government agencies to acquire and admit relevant digital forensic evidence from mobile phones, tablets, laptop and desktop computers, electronic documents, GPS locations, and online cloud accounts to include webmail and social media. The firm acquires and analyzes evidence from over 31,000 cell phone models and 813 unique mobile apps. The firm provides consulting services to answer client questions and assist with information interpretation and development of evidentiary strategy. Our forensic examiners serve as expert witnesses to admit evidence at court. The firm's clients include criminal defense lawyers, public defenders, prosecutors, private and government investigators, civil litigators in family, employment, personal injury, business, probate, and civil rights practices, fraud examiners, and forensic accountants.

CARNEY LAW OFFICE PLLC, ST. PAUL, MN
Attorney at Law

2007 - 2012

Provided legal counsel and representation for entrepreneurial and other small business and nonprofit clients in technology, intellectual property, and business law practice areas.

JOHN J. CARNEY, ESQ.

Page Two

CARNEY CONSULTING LLC, ST. PAUL, MN
Principal

2007 - 2008

Consulted with startup technology businesses providing Chief Technology Officer services that focused on electronic discovery, law office technology, document assembly, and web site architecture.

RAIN RESOURCES, LLC, SHOREVIEW, MN
Senior IT Consultant
Client: Fairview Health Services

2005 - 2006

Provided strategy direction and implementation leadership to Data Management team in Information Systems focused on transforming the data warehousing and business intelligence organization and lifecycle.

BEST BUY CO., INC., RICHFIELD, MN
Enterprise Architect, Information Systems

2002 - 2004

Led enterprise architecture team focused on corporate systems, enterprise data warehousing, business intelligence, and technology infrastructure to support finance, HR, legal, communications, and property departments. Defined service-oriented reference model and target architecture optimized for sustainability, cost effectiveness, and extensibility.

DIVINE/WHITTMAN-HART, MINNEAPOLIS, MN (FORMERLY MARCHFIRST)
Director, Strategy and Alliances

2000 - 2001

Leader of strategy practice within professional consulting organization. Hired and trained strategists. Developed go-to-market plan for business and IT strategy. Formed Strategy Community and fostered an environment of information sharing and education.

KEANE INC., MINNEAPOLIS, MN
e-Solutions Practice Manager

1999 - 2000

Established and grew e-business consulting practice in the largest branch office of the IT professional services firm. Wrote the business plan. Hired and trained consultants. Led practice managers at a regional level to provide community and discover best practices, develop methodologies, and share knowledge.

GAGE MARKETING GROUP, MINNEAPOLIS, MN
Vice President, Database and Internet Development and Operations

1997 - 1999

Executive leader of development team in marketing agency that provided database marketing, CRM, data warehouse, and e-business solutions and managed their operations for marketing clients all over the U.S. Completed turn-around plan for the agency by focusing on introducing innovative e-commerce applications and business intelligence solutions. Had P&L responsibility.

JOHN J. CARNEY, ESQ.

Page Three

GARTNER GROUP LEARNING, LOWELL, MA (FORMERLY J3 LEARNING CORP.)
Senior Vice President, Product Development

1995 - 1997

Chief Development Officer of software education publisher's e-learning product portfolio that embraced the web, multimedia, graphics, and video technologies. Led and consolidated a multi-site, cross-functional product team through an acquisition by introducing reusability strategies and measures of quality and timely delivery. Met all quarterly and annual expense measurements. FY96 operational budget was \$5.5MM.

WANG LABORATORIES, INC., Lowell, MA
Director, Document Imaging and COLD Products

1989 - 1995

Developed, marketed, and supported Wang's award-winning document imaging, COLD, and storage management products. Earned a reputation within the industry for delivering a prolific number of competitive, high quality, well-architected, client/server software products on time and within budget. Met all quarterly and annual expense measurements. FY95 operational budget was \$8.1MM.

WANG LABORATORIES, INC., Lowell, MA
Principal Software Engineer

1981 - 1988

Designed and developed UNIX-based business application hosted on a state-of-the-art, multi-window, 32-bit workstation providing advanced graphical user interface and object-oriented integration.

DIGITAL EQUIPMENT CORP., Maynard, MA
Senior Software Engineer, CAD Systems Engineering

1977 - 1980

Served on Comet CAD team that built the VAX 11/750 mini-computer and follow-on products.

COMPUTERVISION CORP., Bedford, MA
Programmer, Electronic Systems Software Group

1976 - 1977

Developed 3-D mechanical computer-aided design software for leading CAD vendor. Produced dramatic gains in CAD system performance as part of Rev. 8 Speed Team.

EDUCATION

Massachusetts Institute of Technology (MIT), Cambridge, MA

Bachelor of Science.

GPA: 4.6 on a 5.0 scale.

Ranked in the 1st quartile from the top out of 1,007 students in the class of 1976.

Mitchell Hamline School of Law, Saint Paul, MN

Juris Doctor (Computer Law and Intellectual Property).

Certificate in Dispute Resolution.

Trinity College, Dublin, Ireland

Law School Summer Semester.

JOHN J. CARNEY, ESQ.

Page Four

Century College, White Bear Lake, MN

PROFESSIONAL AFFILIATIONS

Digital Forensics

Fellow – American Academy of Forensic Sciences (Jurisprudence Section)

Member – Digital Forensic & E-Discovery Professionals

Member – Forensic Science Litigation Attorney Network

Member – Consortium of Digital Forensic Specialists

Member – Digital Forensics Association

Member – Forensic Focus Forum

Member – International Information Systems Forensics Association

Member – Mobile Forensics and Investigation Group

Legal

Member – Legal Practice Management Section, American Bar Association

Delegate – Technology Law Section Council, Minnesota State Bar Association

Treasurer – District #19, Minnesota State Bar Association

Investigative

Associate Member – Minnesota Association of Private Investigators

Certified Instructor – State of Minnesota Board of Private Detective and Protective Agent Services

ACADEMIC APPOINTMENTS AND HONORS

Massachusetts Institute of Technology (MIT), Cambridge, MA.

Board of Directors and President's Committee – MIT Alumni Association.

Chair of Finance Committee of Board of Directors – MIT Alumni Association.

Past-President and Current Board Member – MIT Club of Minnesota.

Team Leader and Speaker – MIT Enterprise Forum.

Educational Counselor – MIT Education Council.

Hamline University, St. Paul, MN

Adjunct Professor – College of Liberal Arts, Legal Studies Department, Paralegal Certificate Program.

Taught Law Office Technology with a curriculum in digital forensics and electronic discovery.

Century College, White Bear Lake, MN

Advisory Board Member – Cybersecurity, Virtualization, and Forensics program.

Participate at board meetings and advise department faculty. Guest lecture students in mobile device forensics topics.

JOHN J. CARNEY, ESQ.
