
ACADEMIC CREDENTIALS

- Doctor of Philosophy, University of Toronto, Dalla Lana School of Public Health (2015).
- Certificate in Carbon Finance (2007), University of Toronto, Centre for Environment.
- Master of Business Administration (1995), University of Toronto, Rotman School of Management.
- Post-Graduate Studies, Environmental Epidemiology, University of Western Ontario, Faculty of Medicine (Completion of coursework requirements for Ph.D., 1988-1989).
- Master of Health Science (Occupational and Environmental Health), University of Toronto, Dalla Lana School of Public Health (1985).
- Bachelor of Science, University of Toronto, St. Michael's College (1984).

PROFESSIONAL AND TECHNICAL DESIGNATIONS (CURRENT)

- Member American College of Epidemiology (MACE)
- Certified Industrial Hygienist (CIH), American Board of Industrial Hygiene
- Registered Occupational Hygienist (ROH), Canadian Board of Occupational Hygienists
- Certified Asbestos Supervisor, Ontario Ministry of Training, Colleges and Universities
- Ontario Licensed Pesticide Applicator

PROFESSIONAL ASSOCIATION MEMBERSHIPS

- Association of Professionals in Infection Control and Epidemiology (2020 to date)
- American College of Epidemiology (2019 to date)
- American Conference of Governmental Industrial Hygienists (2002 to date)
- American Industrial Hygiene Association (2017 to date)
- United Kingdom Institution of Occupational Safety and Health (1997 - 2018)
- Canadian Registration Board of Occupational Hygienists (1991 to date)
- American Board of Industrial Hygiene (1990 to date)

SECURITY CLEARANCES

- Secret (Level II) – Government of Canada, Canadian Security and Intelligence Service (2012 to date).
- Enhanced Reliability - Government of Canada, PWGSC CIISD (2006 to date).

CAREER EXPERIENCE

- Founder and President – Resource EHS America, Inc. (2018 to date) www.rea.consulting
- Occupational Hygiene Advisor – Royal Canadian Mounted Police (contracted, February 2017 – May 2019)
- Occupational Hygiene Advisor – Royal Canadian Navy (contracted, 2011 to date)
- Adjunct Professor – Dalla Lana School of Public Health, University of Toronto (2016 to date) <https://www.dlsph.utoronto.ca/faculty-profile/murphy-john-h/>
- Instructor in Occupational Health & Safety and Preventive Medicine – Canadian Forces Health Services Training Centre CFB Borden, and Department of National Defence (2011 to date)
- Partner - Occupational & Environmental Hygiene Consultants Inc. (Barbados) (2005 to date) <https://reaehi.wordpress.com/home/>
- Founder and President - Resource Environmental Associates Limited (1991 to date) www.rea.ca
- Manager - Occupational Health, Safety & Workers' Compensation and Occupational Hygienist - Corporation of the City of Toronto (1986 - 1991)
- Occupational Hygienist - Corporation of the University of Toronto (1986 - 1986)
- Occupational Hygiene Consultant - GE Canada (1985 - 1986)

SERVICE TO THE PROFESSION

- Member, Chemical Substances Committee, American Conference of Governmental Industrial Hygienists (January 2021 to date).
- Peer Reviewer, University of Toronto Medical Journal (2020).
- Peer Reviewer / Editor – “Workplaces and COVID-19: Occupational Health and Safety Considerations for Reopening and Operating During the Pandemic”, Monograph published by the Canadian Standards Association, September 21, 2020.

- Voting Member – Standing Committee on Hazardous Materials and Activities, National Research Council of Canada (October 2019 – October 2021).
- Voting Member – Opioid Working Group, American Industrial Hygiene Association (June 2018 to date).
- Corresponding Member – Cannabis Working Group, American Industrial Hygiene Association (June 2018 to date).
- Corresponding Member – Academic Accreditation Committee, American Industrial Hygiene Association (June 2018 to date).
- Grantor – The Dr. Andrea Sass-Kortsak Doctoral Studies Award, University of Toronto (2016).
- Centre for Research Expertise in Prevention of Musculoskeletal Disorders – Member, Advisory Board (2009 - 2012).
- Grantor – The Richard J Helmeeste Memorial Award, University of Toronto (2001).
- Ontario Workplace Safety and Insurance Board Occupational Disease Consultation Group - Member, representing the petroleum sector (2001 - 2002).
- Canadian Registration Board of Occupational Hygienists - Member - Examinations Committee (1992 - 2002).
- Canadian Society of Safety Engineering - Director and Executive Manager (1993 - 1997).
- Business Council on Occupational Health and Safety in Ontario - Co-Founder, Administrator and Policy Advisor, (1991 - 1995).
- Occupational Health and Safety Law Reports (Journal) - Member - Editorial Advisory Board (1991 - 1994).
- Carswell/Thomson Professional Publishing - Member - Conference Advisory Board (1990 - 1993).
- Joint Steering Committee on Hazardous Substances in the Workplace - Member and Technical Advisor to the Employer Caucus (1987 - 1994).
- Occupational Hygiene Association of Ontario - Newsletter Editor (1986 - 1990).

ACADEMIC ADMINISTRATIVE SERVICE

- Member – Dean’s Campaign Cabinet, Dalla Lana School of Public Health (2013 - 2016)
- Member – Education Committee, Dalla Lana School of Public Health (June 2017 to October 2021)

COMMUNITY SERVICE

- Our Lady Queen of the World Church - Church Organist (2009 - 2017)
- Member of Parish Council, St. Mary's Roman Catholic Church (2005 - 2007)

AWARDS AND HONOURS

- Robert A. Richardson Award for Excellence in International Business Studies, University of Toronto Rotman School of Management, and Canadian Exporter's Association (1994).
- Warren A. Cook Award for Best Published Paper, American Industrial Hygiene Association (1992), for: Sass-Kortsak AM, JT Purdham, J.H. Murphy, Bozek PR. Exposure of hospital operating personnel to potentially harmful environmental agents. *American Industrial Hygiene Association Journal*, Volume 53, Issue 3, pages 203 - 209, 03/01/1992.
- Donald T. Fraser Memorial Medal (Awarded to the graduate combining marks in the top 1% with faculty judged potential for significant future professional contribution), University of Toronto, Graduate School of Community Health, Faculty of Medicine (1986).
- Open Fellowship, University of Toronto (1985).
- Professional Training Bursary, Ontario Ministry of Labour (1984, 1985).
- Ontario Graduate Scholarship, Ontario Ministry of Training, Colleges and Universities (1984, 1985).

DISCLOSED LITIGATION SUPPORT EXPERT ENGAGEMENTS

- Civil litigation relating to alleged mold health impairment from workplace exposure. Engaged by U.S. Attorney for District of Maryland, U.S. Department of Justice (defendant), February 2022. Baltimore, MD, USA. Expert report produced.
- Civil litigation relating to mold property damage and health impacts. Engaged by counsel (Heinlein Beeler Mingace & Heineman) for the plaintiff, November 2021. Framingham, MA, USA. Expert report produced.
- Rostered asbestos exposure assessment expert. Engaged by counsel (Biedermann Hoenig Semprevivo PC) for a major North American automobile company, March 2021. New York NY, USA.
- Civil litigation relating to KN95 respirators. Engaged by counsel (Armbrust & Brown PLLC) for the defendant corporation. Expert report produced, March 2021. Texas and Florida, USA.
- Judicial urgent review application filed February 25 2021 seeking changes to Ontario Provincial Medical Officer of Health directives on SARS-CoV-2 respiratory protection for health care workers. With consent, expert report prepared for Manitoba Nurses Union in November 2020 filed by Ontario Nurses' Association in support of application. Toronto, Canada.
- Application for class action certification relating to alleged causation of non-Hodgkin's lymphoma by exposure to Roundup[®] herbicide. Engaged by counsel (Torys LLP) for the defendant corporations. Expert reports produced, January and June 2021. Class certification hearing scheduled April 2022. Toronto, Canada.
- Dispute between Porter Airlines and Nieuport Aviation relating to the implications of the COVID-19 pandemic for infection transmission risks at Billy Bishop Toronto Centre Airport and commercial liability implications. Engaged by counsel for Nieuport (Osler LLP). Expert reports produced, September – November 2021. Toronto, Canada. Trial testimony given February 2022. \$130 million judgement in favour of Nieuport, October 19, 2022.
- Labour arbitration relating to asbestos management practices at various facilities of the Toronto District School Board. Engaged by counsel (Dewart Gleason LLP) for the complainant (Canadian Union of Public Employees Local 4400). Expert report produced, January 2021. Mediation settlement. Toronto, Canada.

- Labour arbitration relating to COVID-19 respiratory protective measures for nurses in clinical, community care and non-care workplace settings. Engaged by in-house counsel for complainant (Manitoba Nurses Union). Expert report produced, November 2020. Mediation settlement. Winnipeg, Canada.
- Labour arbitration relating to COVID-19 infection prevention and control measures for nurses and breach of mediation agreement. Engaged by counsel (Myers LLP) for complainant (Manitoba Nurses Union). Expert report produced, November 2020. Mediation settlement. Winnipeg, Canada.
- Labour arbitration relating to worker termination for unsafe behaviour in the workplace. Engaged by counsel (Norton Rose Fulbright LLP) for respondent, March to September 2020. Toronto, Canada. Expert report produced. Mediation settlement late 2020.
- Labour arbitration and civil litigation relating to COVID-19 infection prevention and control measures in residential care homes and public hospitals. Engaged by counsel (Cavalluzzo LLP) for complainant / plaintiff (Ontario Nurses Association). Expert report produced. Mediation settlement of labour complaint. Court judgement in favour of plaintiff. March-May 2020. Toronto, Canada.
- Labour arbitration relating to COVID-19 infection prevention and control measures in residential care homes and public hospitals. Engaged by counsel (Myers LLP) for complainant (Manitoba Nurses Union). Expert report produced. Mediation settlement. May-June 2020. Toronto, Canada.
- Civil litigation relating to intellectual disability allegedly caused by exposure to lead paint. Engaged by plaintiff's counsel (Stephen M. Cantor, P.C.), July 2020 to date (active). Expert reports produced. Trial scheduled for May 2022. New York NY, USA.
- Civil litigation (2 complaints) relating to illness allegedly caused by property mold contamination. Engaged by plaintiff's counsel (Kelly Souza Rocha & Parmenter, P.C.), October 2019 to date (active). Expert reports produced. Providence RI, USA.
- Civil litigation and statutory prosecution (2 separate matters) relating to alleged crop damage caused by spray drift of Roundup® herbicide. Engaged by defence counsel (Killian B. May, Barrister and Solicitor), December 2019 to date (active). Expert reports produced on adequacy of technical investigation by regulatory agency, qualifications of Crown's expert, and consistency of plaintiff's claims with pesticide characteristics and drift behaviour. Greater Toronto Area, Canada. Charges dropped and civil litigation terminated early 2022.

- Civil litigation relating to personal injury caused by carbon monoxide poisoning in residence. Engaged by plaintiff's counsel (Howie Sacks & Henry LLP), January 2019. Expert report produced. Toronto, Canada.
- Rostered exposure assessment expert, toxic tort litigation pertaining to Roundup®. Engaged by defence counsel (Hollingsworth LLP), June 2019 - present. Washington DC, USA.
- Civil litigation relating to mold-related property damage caused by construction defects. Engaged by plaintiff's counsel (Robins Kaplan LLP), May 2019. Expert reports produced. Boston MA, USA.
- Civil litigation (9 complaints) relating to alleged Legionnaire's disease caused by hotel water system. Engaged by defence counsel (Getman Schulthess Steere & Poulin P.A), August 2018 to date (active). Expert reports produced. Deposed October 2021. Settled early 2022. Manchester NH, USA.
- Civil litigation relating to personal injury on construction site. Engaged by defence counsel (Nelligan O'Brien Payne LLP), 2017 – 2021. Expert reports produced. Settled late 2021. Ottawa, Canada.
- Civil litigation relating to personal injury from chlorine overexposure at public indoor swimming pool. Engaged by plaintiff's counsel (Rasmussen Starr Rudy LLP), 2017 – 2019. Expert report produced. Settled 2019. Ottawa, Canada.

COURT EXPERT TESTIMONIAL RECORD – PRIOR THREE YEAR PERIOD

- September 20, 2022. Trial testimony in *Olutade Okediji and Ruth Okediji vs. Thomas J. Cataldo Individually and as Trustee of Cole Family Trust, Commonwealth of Massachusetts Middlesex County, Case No. 1881cv00845.*
- February 9, 2022. Trial testimony in *Porter Airlines Inc. et al v. Nieuport Aviation Infrastructure Partners LP, Ontario Superior Court of Justice, Court File No. CV-20-00651807-00CL.*
- October 28, 2021. Deposed in twelve combined actions, *Multiple Individual Plaintiffs v. Sands Resort Management Co., Inc., et al, State of New Hampshire Rockingham County Superior Court, various Court Docket Numbers.*
- September 23, 2021. Discovered in *Jeffrey Deblock and Monsanto Canada ULC, Monsanto Company and Bayer Inc., Ontario Superior Court of Justice, Court File No. 699/19.*
- September 16, 2021. Deposed in *Timothy Constantine v. Monsanto Company et al, United States District Court, Northern District of California, MDL No. 2741 Case No. 16-md-02741-VC.*

- September 2, 2021. Deposed in *Beth Spector and Chuck Spector, wife and husband, v. Monsanto Company, United States District Court, Northern District of California, MDL No. 2741, Case No. 3:20-cv-05532*

SIGNIFICANT TEACHING EXPERIENCE – UNIVERSITY OF TORONTO

- University of Toronto Dalla Lana School of Public Health – CHL6000 Summer Practicum Supervisor for MHSc / MPH (41 students, 1987 to date). Most recent supervised students: Kayati Patel (2021); Jordan Cabral (2020); Cyrus Lee (2020); Lt(N) Joanna Kriese (2019); Lt(N) Ali Burton (2018).
- Course Supervisor (Directed Reading Course), University of Toronto, Dalla Lana School of Public Health – CHL7001H (Fall 2018, Fall 2019).
- Course Co-Supervisor (Directed Reading Course), University of Toronto, Institute for Health Policy, Management and Evaluation – HAD7001H (Fall 2018 - Summer 2019).
- Contributing Instructor: University of Toronto, Dalla Lana School of Public Health - CHL 5914H - Physical Agents I – Noise & Vibration - MHSc / MSc / MPH Candidates (2010 – 2016).
- Contributing Instructor: University of Toronto, Dalla Lana School of Public Health - CHL 5904H - Perspectives in Occupational Health and Safety - Legal and Social Context - MHSc / MSc / MPH / PhD Candidates (2007 - 2017).
- Guest Instructor – University of Toronto, Dalla Lana School of Public Health – CHL 5902H - Advanced Occupational Hygiene - MHSc / MSc / MPH / PhD Candidates (2016 – 2018).

SIGNIFICANT TEACHING EXPERIENCE – CANADIAN ARMED FORCES

- Canadian Forces Health Services Training Centre, CFB Borden – Preventive Medicine QL6A Occupational Health Qualification Course, instructor for 75% of 450 hr, 65-day duration course (2005, 2007, 2010, 2013, 2015, 2018, 2020).
- Canadian Forces Health Services Training Centre, CFB Borden – Preventive Medicine QL5A Public Health Qualification Course (IAQ and noise instructor, 2017, 2018, 2019).
- Canadian Armed Forces and Department of National Defence - Safety Management Course, Hazardous Occurrence Investigation Course, Occupational Health Course - Canadian Forces Officers, NCMs, DND Supervisors and Managers (2011 to 2020).

- End -

Dr. John H Murphy

BSc MSc MBA PhD ROH CIH MACE

President – REA Group

Adjunct Professor – Dalla Lana School of Public Health, University of Toronto
