Davis, CA
Bachelor of Science, Zoology
Cum laude |

CURRENT PROFESSIONAL EXPERIENCE

- | | |
|----------------------|--|
| 1991- Present | MFC Consulting, Sacramento, CA
Legal Nurse Consultant
Provide legal nurse consulting services which includes the following expert/consulting services: life care planning, medical cost projections, medical bill review, case management, medical record analysis, case evaluation, and testimony regarding standard of care. Provide evaluations and litigation support including literature research, comprehensive medical chronologies, and written summaries and reports. |
|----------------------|--|

PAST PROFESSIONAL EXPERIENCE

- | | |
|-----------------------------|--|
| 2000 – 2018 | State of California: Various Consulting positions: |
| October 2008 –
Dec. 2018 | State of California, California Correctional Health Care Services, Elk Grove, CA
Policy and Risk Management Division, Third Level Appeals-Health
Care/Grievances
Nursing Consultant Program Review
Reviewed, researched, and performed clinical triage, clinical reviews, and related |

investigation of third level health care appeals filed by patients confined in California prisons to determine if health care, mental health, and dental care was in accordance with regulatory and departmental policies, and met the standard of care. Identified potential risk management issues and worked collaboratively with intra and interdepartmental clinical staff to implement strategies which promoted risk reduction and improvement in quality patient care along the health care continuum. Performed special projects related to compliance and litigation as requested.

October 2004 –
October 2008

California Department of Health Services/Public Health, Sacramento, CA
Chronic Disease and Injury Control Division, Chronic Disease Control Branch,
Medicine and Public Health Section Center for Gerontology

Nurse Consultant III Specialist and Chief

Developed clinical protocols; provided professional education and technical assistance to Public Health Nurses and County Health Department grantees of the Preventive Health Care for the Aging/Adults (PHCA) program. Responsibilities included monitoring clinical, contractual, and fiscal program elements; performed on-site programmatic and chart reviews to ensure delivery of quality services according to regulatory and professional standards of nursing practice. The PHCA program was an evidence based research program administered by public health nurses to underserved areas in the community. Data was collected and analyzed in collaboration with the University of California, San Francisco Institute for Health and Aging School of Nursing. The research protocol included over 200 data elements which included evaluation of participant's achievement of Healthy People 2010 goals, fall risk prevention measures, medication management and safety, and nutrition and health diets.

Provided nursing leadership and consultation to other branch and division programs including: Osteoporosis and Prevention Program, California Arthritis Prevention Program, Alzheimer's Disease Program, School Health Services, Best Practices in Childhood Asthma Program, California Asthma Public Health Initiative, Well-Integrated Screening and Evaluation for Women Across the Nation (WISEWOMAN), California Heart Disease and Stroke Prevention Program, California Diabetes Program, Office of Oral Health: California Children's Dental Disease Prevention Program, and Physical Activity, Nutrition, and Obesity Prevention Program; and external agencies, programs, and coalitions regarding various healthy aging issues across the lifespan.

April 2003 –
October 2004

Maternal Child and Adolescent Health Branch, Child and Adolescent Health Unit

Nurse Consultant II

Provided nursing consultation services, policy development and program recommendations for Maternal Child and Adolescent Health programs including comprehensive case management programs :Adolescent and Family Life Program and Adolescent Sibling Pregnancy Prevention Program; Oral Health and School Health Services. Program consultation and technical assistance encompassed a collaborative approach with program grantees. Responsibilities included development of scope of work, providing programmatic technical assistance, monitoring contractual and fiscal program elements, and performing on-site programmatic and chart reviews to evaluate the programs and ensure quality and delivery of services according to statewide standards.

2000 – April 2003

Medi-Cal Managed Care, Office of Clinical Standards and Quality

Nurse Consultant II

Provided nurse consulting services, policy development, and program recommendations while applying recognized clinical standards and quality principles. Developed statewide clinical quality review training curriculum for ongoing training of professional staff which incorporated current State, Federal, and professional

practice standards. Responsible for all aspects of project coordination including budget and logistics for multi-site trainings. Coordinated a State Task Force charged to develop a methodology to define and identify the Children with Special Health Care Needs population to meet Federal requirements to facilitate the delivery of coordinated quality services. Prepared multiple comprehensive reports integrating policy, statute, and task force recommendations for administrative action.

October 2015 – 2018

California State University, Sacramento, Sacramento, CA
College of Continuing Education
School Nurse Credential Masters in Nursing Program
Assistant Professor

Part time professor for graduate nursing students seeking their California school nursing credential. Co-instructor for Advanced Physical Assessment: Infant, Child, Adolescents.

1997 – 2018

Los Rios Community College District, Sacramento, CA
Nursing, Assistant Professor

Provided periodic clinical instruction to nursing students for Los Rios Community College Associate Degree Nursing programs. Provided full time Nursing instruction in 2000 and 2003. Approved by the California Board of Registered Nursing at the highest instruction level to teach Med- Surg, Pediatrics, and Geriatrics.

1990 – 2011

Catholic Healthcare West: Mercy General Hospital, Sacramento, CA
1997- 2011 Staff Nurse; Emergency

Provided acute care nursing services including triage, trauma, and primary emergency nursing services to patients of all ages and presentations to the emergency department, which is an accredited chest pain center, an accredited primary stroke center, and provides level 2 emergency services.

1990- 1997; Clinical Coordinator/Assistant Manager, Emergency

Provided acute care nursing services to all types and ages of emergency patients while directing the operations of the emergency department. Coordinated research program for acute myocardial infarction (MI - heart attack) patients and assisted with research of acute stroke patients. Clinical expertise included emergency, pediatrics, medical surgical intensive care, and recovery room.

1997 - 2000

Roseville City School District, Roseville, CA
School Nurse

Provided health related services to multiple K-8 school sites which included health and prevention education, special education assessments, community outreach, case management, and program coordination; while applying public health and acute care clinical standards.

1988 - 1990

NorthBay Medical Center, Fairfield, CA
Director of Emergency Services

Provided emergency nursing management for the trauma service, base station, emergency department in a multi-facility health care system.

1987 - 1988

Seton Medical Center, Daly City, CA
Supervisor, Emergency Department

Provided direct patient care and emergency department management for urban trauma service medical center.

1985 - 1987

Methodist Hospital, Sacramento, CA
