
Neeti Bathia, MD

EDUCATION AND TRAINING

- August 2010-July 2011 **Fellow**, Spine and Sports Medicine
Hospital for Special Surgery, New York, NY
- July 2007-June 2010 **Resident**, Physical Medicine and Rehabilitation
UMDNJ-New Jersey Medical School/Kessler, Newark NJ
- July 2006-July 2007 **Intern**, Internal Medicine
Beth Israel Medical Center , New York, NY
- May 2006 **Doctor of Medicine**
Weill Medical College of Cornell University, New York, NY
- May 2001 **Bachelor of Science** in biology, minors in Spanish and chemistry
magna cum laude
Duke University, Durham, NC

PROFESSIONAL EXPERIENCE

- May 2018-present **Physiatrist**, ReMeDy Medical Group, San Mateo, CA and San Francisco, CA
Outpatient musculoskeletal and spine medicine with proficiency in and regular performance of electrodiagnostic studies, diagnostic musculoskeletal ultrasound, ultrasound guided musculoskeletal injections, and fluoroscopic guided cervical, thoracic and lumbar spine injections (epidurals, facet injections, medial branch radiofrequency ablations)
- October 2011-May 2018 **Physiatrist**, SOAR—The Physiatry Medical Group, Redwood City, CA
Outpatient musculoskeletal and spine medicine
- 2012 – 2016 **Volunteer Team Physician**, Team Asha charity half-marathon team, San Francisco, CA
Injury prevention presentations, pre-participation physical evaluations, one on one injury management guidance
- August 15, 2010 **Event physician**
Bronx Half Marathon, Bronx, NY
- July 10, 2010
Queens Half Marathon, Flushing, NY
- August 16, 2009
New York City Half Marathon, New York, NY
- November 2, 2008
ING New York City Marathon, New York, NY
- June 2010-Nov. 2010 **Volunteer Team Physician**, Lend-a-Hand India Charity Marathon team, New York, NY
- Summer 2003 **American College of Rheumatology Medical Student Research Preceptorship**,
Research intern. Preceptors: Virginia Kraus, MD, Ricardo Pietrobon, MD.
Center for Excellence in Surgical Outcomes at Duke University, Durham, NC
Orthopedic clinical outcomes research
- 2001-2002 **Duke Center for Family Data manager, pediatric brain tumor support study**.
Sponsor: Melanie Bonner, PhD.
Department of Clinical Psychology, Duke University, Durham, NC
Maintained pediatric brain tumor data repository
- 2001-2002 **Duke University Athletic Department Academic center manager and tutor**
Durham, NC
- Summer 2001 **Long-term Care Internship at Duke Clinical Psychology, Project ALIVE research assistant**. Sponsor: Thomas Lynch, PhD.
Department of Psychiatry, Duke University Medical Center, Durham, NC
Screened patients for depression for involvement in cognitive behavior therapy research protocol.
- Summer 2000 **Mount Desert Island Biological Laboratory Research Assistant**.
Sponsor: James Boyer, MD.

Neeti Bathia, MD

Salsbury Cove, ME

Investigated skate liver bile duct transport proteins *in vivo* in order to better understand mechanisms of cholestatic liver disease.

Summer 1999

Radiation Biology Laboratory, Research Assistant.

Sponsor: Charles Kovacs, PhD.

Department of Radiation Oncology, East Carolina University, Greenville, NC

Investigation of interleukins secreted in plasma in response to radiation therapy.

LICENSE AND CERTIFICATION

California State Medical License #A118185 (expiration 4/30/2021)

New York State Medical License #2566181 (expired 2/29/2012)

Board certified in Physical Medicine and Rehabilitation

Board certified in Sports Medicine

Advanced Cardiac Life Support, Basic Life Support

PUBLICATIONS, PRESENTATIONS, AND RESEARCH

Lutz G, Bathia N, Lutz C, Cooke P, Solomon J, Moley P, Simotas A, Back J, Shah B. Fluoroscopically guided caudal epidural steroid injections for axial low back pain as a result of central disc protrusions: a prospective outcomes study. Study ongoing, Hospital for Special Surgery IRB # 11-002.

Bathia N, Malanga G. Back Injury—Lacrosse (Spondylolysis and transverse process fatigue fracture in a high school lacrosse player). Case Presentation. The 57th Annual Meeting of the American College of Sports Medicine. Baltimore, MD. June 4, 2010. Abstract publication: Med Sci Sport Exer 2010 June; 42(5): Supp: S229.

Bathia N, Stitik TP. Atypical left upper quadrant and thoracic pain syndrome from a sequestered thoracic disc masquerading as a possible meningioma: A case study. Poster presentation. The 46th Annual Association of Academic Physiatrists Educational Conference. Bonita Springs, FL. April 2010. Abstract publication: Am J PMR 2010 Apr; 89(4) Supp: S82.

Bathia N, Malanga G. Ultrasound guided aspiration and corticosteroid injection in the management of a paralabral ganglion cyst: a case report. PM&R 2009 Nov; 1(11): 1041-4.

Bathia N, Garstang SV, Malanga G. Is there an association between hip abductor and extensor strength and medial leg pain in collegiate cross-country runners: a prospective study. Results presented at NJ Society of PM&R Residents' Research Night, March 23, 2009, Edison, NJ.

Bathia N, Stitik TP. "Influenza-vaccine shoulder: vaccination-related traumatic injury to the infraspinatus: a case report. Poster presentation. The 70th Annual Meeting of the American Academy of Physical Medicine and Rehabilitation. Austin, TX. October 2009. Abstract publication: PM&R Sept; 1(9): Supp: S118.

Bathia N, Malanga GA. Shoulder Injury—Triathlon (Musculoskeletal ultrasound in the diagnosis and management of a glenoid labrum ganglion cyst: a case report). Case presentation. The 56th Annual Meeting of the American College of Sports Medicine. Seattle, WA. May 27, 2009. Abstract publication: Med Sci Sport Exer 2009 May; 41(5): Supp: S150.

Bathia N, Heckert K, Barrett AM. Pure mixed transcortical aphasia following left posterior parietal lobe intraparenchymal hemorrhage: a case report. Poster presentation. The 45th Annual Association of Academic Physiatrists Educational Conference. Colorado Springs, CO. February 2009. Abstract publication: Am J PMR 2009 Mar; 88(2) Supp 1: S47.

Bathia N, Kong Y. Constraint induced therapy in a hemiparetic patient with pre-existing paraplegia: a case study. Poster presentation. The 45th Annual Association of Academic Physiatrists Educational Conference. Colorado Springs, CO. February 2009. Abstract publication: Am J PMR 2009 Mar; 88(2) Supp 1: S47.
