

# Paul J. Lynch, MD

*Founder, US Pain Care; Expert Witness; Patient Advocate*

29685 N 77th pl ♦ Scottsdale, AZ 85266 ♦ 480.310.3878 ♦ lynchmd@gmail.com

---

## Profile

- ◆ Double Board Certified in Anesthesiology and Pain Medicine
- ◆ Interventional Pain, Fellowship Trained
- ◆ Patient Advocate
- ◆ Neuromodulation Expert
- ◆ Proven CEO and Leader
- ◆ Research Leader
- ◆ Expert Witness

---

## Professional Development

2023 – Current	<b>CEO</b> and Practicing Pain Management Physician, US Pain Care
2019 - 2023	<b>CEO</b> , Pain Doctor, Inc., Arizona Pain and Texas Pain
2014 - 2023	<b>Founder</b> and Board of Directors, Pain Doctor, Inc.
2014 – Current	Clinical Assistant Professor of Anesthesiology UA College of Medicine-Phoenix
2013 - 2023	<b>Founder and CEO</b> , Holistic Pain
2010 - 2023	<b>Founder and CEO</b> , Boost Medical
2007 - 2023	<b>Founder</b> , Arizona Pain Specialists
2007 - Current	<b>Founder</b> , Arizona Pain Foundation
2007 – 2010	Anesthesiologist at Mayo Clinic Hospital in Scottsdale, AZ
2007	Co-Chief Fellow Texas Tech Pain Medicine.
2005 – 2006	Research Contributor at New York University Medical Center in New York, NY
2004 – 2005	Research Director at Beth Israel Medical Center - Advanced Medical Technology Institute in New York, NY
2003 – 2004	Research Associate and Research Coordinator for Medical Students at Beth Israel Medical Center / Advanced Medical Technology Institute in New York, NY
1999 – 2003	Research Consultant at National Institute on Media and the Family in Minneapolis, MN
1999	Research Contributor at University of Oklahoma Health Science Center in Oklahoma City, OK
1992 -1994	Research Contributor at Duke University Medical Center in Durham, NC

---

## Expert Witness

2007 - Current

- ◆ Managed over 200 pain clinics in 14 states.
- ◆ Significant knowledge of the standard of care in multiple states with responsibility for writing medical policies including for pain management procedures and opioid prescribing
- ◆ Case review
- ◆ Record Review
- ◆ Depositions
- ◆ Testimony
- ◆ Independent Medical Exams
- ◆ Case work - approximately 50% for plaintiff and 50% for defense
- ◆ Consulted or retained in over 100 cases involving Pain Management

---

## Education

### Post Graduate Training

- 2006 – 2007      **Fellowship in Interventional Pain Management:** Texas Tech Health Sciences Center, Lubbock, TX
- 2003 – 2006      **Anesthesiology:** New York University Medical Center, New York, NY
- 2002 – 2003      **Surgical Internship:** Beth Israel Medical Center, New York, NY

### Medical Doctorate

1998-2002      University of Oklahoma College of Medicine: Oklahoma City and Tulsa, OK.

### Bachelor of Science

1994-1998      Oral Roberts University, Tulsa, OK. Summa Cum Laude.

### Certifications

- 2007 - 2018      Subspecialty Board Certification: Pain Medicine. #40966
- 2007 - 2017      Board Certification and Diplomate, American Board of Anesthesiology #40966.
- 2001 - Current      Advanced Cardiac Life Support.

---

## Professional Affiliations

2011- Current	American Medical Association
2007 - Current	American Society of Anesthesiologist (ASA)
2007 - Current	American Society of Interventional Pain Physicians (ASIPP)
2010 - Current	Arizona Society of Interventional Pain Physicians (AZSIPP)
2008 - Current	Maricopa County Medical Society
2007 - Current	North American Neuromodulation Society (NANS)

---

## Medical Licenses

- ◆ Arizona: #36803
- ◆ California: #C055833
- ◆ Colorado: #DR.0053761
- ◆ Florida: #ME135737
- ◆ Nevada: #14574
- ◆ Texas: #R0447
- ◆ Washington: #MD 60807607

---

## Extensive Teaching Experience

- ◆ Spinal Cord Stimulation
- ◆ Radiofrequency Ablation
- ◆ Percutaneous Discectomy
- ◆ Vertebroplasty/Vertebral Balloon Augmentation
- ◆ Percutaneous Disc Decompression
- ◆ SI Joint Fusion
- ◆ Practice Management
- ◆ Advanced Topics in Neuromodulation
- ◆ Future Leaders in Neuromodulation
- ◆ NANS Fellows Conference
- ◆ WVSIPP Pain Symposium
- ◆ Opioid Use, Misuse and Abuse
- ◆ Federal DEA Agent Training in Quantico

---

## Honors and Awards

2014	M&A Advisors "Deal of the Year" in Health and Life Sciences category. Catterton Partners Investment in Pain Doctor, Inc.
2013	The Best of Arizona Businesses "Pain Management" by Ranking Arizona
2011	Top Doctors Award by Phoenix Magazine voted by Arizona valley Physicians
2010	Top Doctors Award by Phoenix Magazine voted by Arizona valley Physicians
1994-1998	Oral Roberts University Honor Society Summa Cum Laude

---

## Research and Publications

Lynch, P.J, Tubic, G., Jeffrey M Foster, J.M., Puri, S., Burnette, C.A., Block, J.E, (November 2022) Minimally Invasive Inferior Intra-Articular Sacroiliac Joint Fusion: Successful Application of Osseous Stabilization Using Allograft Bone. *Orthopedic Research and Reviews*. (14) 429–435

## **Past Research Projects**

Investigator: A Prospective, Multi-center, Randomized Controlled Double- Blind Trial Evaluating

the VertiFlex® Totalis™ Direct Decompression System versus a Sham Surgical Procedure in Patients with Lumbar Spinal Stenosis

Investigator: A Prospective, Multicenter, Randomized, Double-blind, Placebo-controlled Study to Evaluate the Efficacy and Safety of a Single Injection of rexlemestrocel-L Alone or Combined with Hyaluronic Acid (HA) in Subjects with Chronic Low Back Pain.

Investigator: Outcomes of Single Injections of FloGraft Therapy, Autologous Stem Cells, or Platelet Rich Plasma for the Treatment of Pain in the Lumbar Facet Joints, Sacroiliac Joints, Upper Extremity Joints, and Lower Extremity Joints

Investigator: Reliability and Validity of the Global Pain Scale Using a Clinical Population from a Large Interventional Pain Practice

Investigator: Predictors of Successful Outcomes of Occipital Nerve Stimulation for Chronic Headaches

Investigator: Primary-Care Physicians Referral Patterns of Patients to Pain Specialists

Investigator: A Prospective, Multicenter, Double Blind, Controlled Study Evaluating Safety and Preliminary Efficacy of a Single Injection of Adult Allogenic Mesenchymal Precursor Cells Combined with Hyaluron in Subjects with Chronic Discogenic Lumbar Back Pain (2011- 2015).

Investigator: SENSE™ (Subcutaneous and Epidural Neuromodulation System Evaluation) Study for the Treatment of Chronic Low Back and Leg Pain (2013-2015)

Investigator: Prospective, Multi-Center, Randomized, Double-Blinded, Partial Crossover Study to Assess the Safety and Efficacy of the Bioness® Stimrouter™ Neuromodulation System in the Treatment for Patients with Chronic Pain of Peripheral Nerve Origin (2012-2015)

Investigator: A Randomized Double Blind Placebo Controlled Parallel Group Study of the Efficacy and Safety of Pregabalin (BID) in Subjects with Post-Traumatic Peripheral Neuropathic Pain (2013-2014)

Investigator: A Multicenter, Randomized, Double blind, Controlled, Comparative Study of SI6603 in Patients with Lumbar Disc Herniation (Phase III) (2013-2014)

Investigator: A Randomized, Double Blind, Parallel-Group Study Of Cardiovascular Safety In Osteoarthritis or Rheumatoid Arthritis Patients With or at High Risk for Cardiovascular Disease Comparing Celecoxib With Naproxen and Ibuprofen (2012-2014)

Investigator: A Randomized, Multi-Center, Double-Blind, Placebo-Controlled Phase III Trial to Evaluate the Efficacy, Tolerability and Safety of MRX-7EAT Etodolac- Lidocaine Topical Patch in the Treatment of Pain due to recent onset Supraspinatous Subacromial Tendonitis and/or Subdeltoid Bursitis of the Shoulder (2011-2012)

Investigator: Qualitative Interviews with Patients Diagnosed with Radicular Pain (2012-2013).

Investigator: Multi-Site Study: Partnership for Advancements in Neuromodulation (PAIN): A Prospective Clinical Outcomes Registry (2010-2013).

Investigator: A Randomized, Multi-Center, Double-Blind, Placebo-Controlled Phase III Trial to Evaluate the Efficacy, Tolerability and Safety of MRX-7EAT Etodolac- Lidocaine Topical Patch in the Treatment of Pain due to recent onset Supraspinatous Subacromial Tendonitis and/or Subdeltoid Bursitis of the Shoulder (2011- 2012)

Investigator: Multi-Site Prospective Study: Spinal Cord Stimulation, Efficacy of the SJM Eon-Mini (2006-2007).

Investigator: Phase III Drug Trial for CRPS Pain (2006-2007).

Investigator: Phase II Drug Trial for Lumbar Radiculopathy Pain (2006-2007). Investigator: Phase I Intrathecal Drug Trial for Refractive Cancer Pain (2006-2007).

---

## Professional Presentations

Lynch, P.J., (March, 2023) Opioid Prescribing Behaviors: The Good, the Bad and the Ugly. Presented at DEA Conference on Prosecuting Diversion Cases NO. 10, Phoenix, AZ.

Lynch, P.J., (October, 2022) Opioid Prescribing Behaviors: The Good, the Bad and the Ugly. Presented at DEA Conference on Prosecuting Diversion Cases #9, San Juan, PR.

Lynch, P.J., Hatheway, J.A., (September, 2022) Hands-On Cadaver Lab- Procedure, Presented to The 2022 Annual Meeting: Pain, Spine, Psychology, Synergy: RFA, Las Vegas, NV

Lynch, P.J., (August, 2022) Opioid Prescribing Behaviors: The Good, the Bad and the Ugly, Presented at DEA Conference on Prosecuting Diversion Cases Class No. 8, Los Angeles, CA.

Lynch, P.J., Desai, M., Valimahomed, A., Haroutunian, A., Binks, C., (June, 2022) PERIPHERAL NERVE STIMULATION BIOSKILLS LAB, :- Presented at NALU Academy of Advanced Neuroestimulation, National Bioskills Lab, Farmers Branch, TX 75234

Lynch, P.J., Arulkumar. S., Haroutunian, A., Raju, T., (June, 2022) Nerve Target: Low Back Pain / Superior Cluneal (Fluoroscopy), Presented at Nalu Academy PNS Bioskills lab, Farmers Branch, TX

Lynch, P.J., (May, 2022) Arizona Pain Center of Excellence: A new approach to treating substance use disorder, Presented at NADDI Arizona Training Conference Scottsdale Police Department Tom Hontz Training Facility, Tempe AZ

- Lynch, P.J., (April, 2022) Opioid Prescribing Behavior: The Good, the Bad and the Ugly and the Four Buckets of Opioid Prescribing Behavior, Presented at 2022 NADDI Western Regional Training Conference, Las Vegas, NV
- Lynch, P.J., (January, 2022) Spinal Cord Stimulation: Patient Selection, Waveforms, Programming, Presented at 2022 NANS 25th Annual Meeting, Orlando, FL
- Lynch, P.J., Rich, B.K.,(January, 2022) co-proctor Station 18 "EPG Peripheral Nerve Stimulation", Presented at ASPN: Innovating Summit Master's Class and Fellow Lab, Las Vegas, NV
- Lynch, P.J (December, 2021) Didactic – fluoro targets and ultrasound target, Labs, Presented to NALU Academy for Advanced Neurostimulation Incorporating PNS Into your Practice, Houston Physician's Hospital, Webster, TX
- Lynch, P.J., (September, 2021) Spinal Cord Stimulation: Patient Selection waveforms, Programming, Presented at 2021 NANS September Cadaver Courses: Las Vegas, NV
- Lynch, P.J., McJunkin T.L., Barrett, S., Maloney, J.A., (March, 2011) A New Surgical Approach to Peripheral Nerve Stimulation of the Deep and Superficial Peroneal Nerves for Peroneal Nerve Pain, Presented at the 2011 meeting of AAPM, National Harbor, MD.
