8. Defacing firearms: What is it? How is it done? And what does it mean to your case-January 2007 10.
9. Gunshot Residue Cross Contamination, NACDL Journal, October 2007. This article was reprinted in MO, ID, CA 11.
10. "Aging Bullets and Casings"-The Right to Counsel, Volume 14, Number 2, Summer 2007.
11. "Cannot Be Matched or Eliminated"-The Right to Counsel, Vol. 36 Issues 11 & 12, Fall, 2013.

The Law Firm of Potuzik, Carrozza, Wilson, Fisher & Pannucci, Muskegon, Michigan. 1/01-1/03 Extern/Paralegal--Performed legal research. Drafted legal documents, orders, motions and letters to clients. Interviewed clients and witnesses. Assisted attorneys at trials, pleadings and hearings. I worked in the areas of Criminal Law, Criminal Evidence and Procedure to include open murder cases, real estate, taxes, consumer protection, tort, immigration, and American Indian law. Researched and wrote appeals for cases involving felony criminal law, family law, civil law, and DNA evidence. Observed attorneys in courtroom procedure, presentation and introduction of physical evidence and the introduction or the discrediting of a witness and their testimony, by direct and cross-examination.

Student Bar Association, Thomas Cooley Law School, Lansing, Michigan. 5/00-8/00 Student Instructor--Taught a formal supplemental law class in Wills, Trusts, and Estates Class to students, through the student bar association. This included: the elements of either a formal will or a holographic will. What evidence can show fraud, undue influence, or lack of capacity to make a will, and all the elements of intestacy in the event that the will fails or there is no will at the time of the person's death.

Housing Resource Center, East Lansing, Michigan. 5/99-6/00 Counselor--I explained landlord-tenant law to all interested parties. Explained documentation and evidence procedures to clients to enable them to pursue their own small claims cases.

C. Sharps Arms, Big Timber Montana, 9/94-5/96 Gunsmith/Riflemaker--I performed a wide variety for machining jobs in the manufacturing process of building several models of 1870s area Buffalo Rifles in calibers ranging from .22 long rifle to 50-140 Sharps. I performed all the repairs and customizing of customers rifles, and did all blueing, headspacing, final assembly, first stage test firing, and set all trigger pulls.

Parkside Center, Arvada, Colorado. 3/94-9/94 Temporary-Replacement Office Manager--Supervised and scheduled two employees, human resources,

appointments, inventory management, budgeting, payrolls, record and bookkeeping and security supervisor. Translated English/Spanish for staff and clients.

Department of Defense Federal Police, Fort Hunter Liggett, California. 10/93-3/94

Federal Police Officer--Provided police and security services to a experimental weapons testing facility. I enforced wildlife regulations and management in other areas of the reservation. Performed all other police and law enforcement duties to include interviewing and questioning suspects and witnesses, sometimes in Spanish. Investigating crimes, crime scenes, and performed crime scene preservation. Prepared reports and records of crimes and general department business. Conducted searches of homes, vehicles and persons, and assisted in felony investigations. Served as the department's certified police armorer, and acted as translator: English/Spanish

U.S. Border Patrol, Imperial Beach, California and Gynco, Georgia. 6/92-2/93

U.S. Border Patrol Agent, Field Agent--Patrolled the U.S./Mexico border for the purpose of interdicting illegal immigration and smuggled contraband. Received training in, and conducted operation for, drug enforcement operations, self-defense tactics, immigration law, nationalization law, federal criminal law, federal law enforcement, international border operations, electronic surveillance, communications, night operations, investigations, questioning and interrogations, high speed pursuit driving, interracial relations. Firearms training in police pistol, police shotgun, and fully-automatic weapons. Arrested suspects for robbery, rape, murder, smuggling of contraband to include weapons, illegal immigrants and narcotics, documents fraud and immigration violations. Collected and preserved evidence, conducted searches (with and without warrants) of homes and vehicles. Single handedly arrested groups of up to 38 people at once. Controlled groups of 250+ in a detention center. Performed booking, fingerprinting, photographing and in-processing procedures. Wrote arrest and nightly reports, inventories, as well as other record keeping. Acted as translator for other area police agencies when necessary. Acted as weapons repair officer as needed. Conducted extensive research regarding the type of employment that immigrants were seeking when they entered the United States illegally by questioning suspects.

University of Southern Colorado, Pueblo, Colorado. 9/84-1/85 Instructor in Continuing Education--Instructed adult students in firearms use and trouble shooting, ammunition reloading, manufacture and re-manufacture, ballistics, firearms repair, and related subjects. Prepared course outline, tests, examinations, and charts for the class. Lectured and conducted class discussions.

Pueblo Gun Repair, Pueblo, Colorado. 6/80-6/86 Gunsmith/Manager--  
Managed sales and service, inventory, shipping and receiving, accounting, and  
trained interns in a gunsmith/gun repair shop. Repaired and serviced all types of

firearms from antique muzzle-loaders to advanced machine-guns and silencers. This included making obsolete parts from scratch, by hand. I also provided certified firearms repairs, and maintenance services, for businesses, police departments, security and military personal. Provided self-defense training, to include all firearms, to individuals, businesses, and security companies. Built custom firearms for customers to include custom made weapons for the physically challenged and police. This included making and/or customizing tactical rifles, submachineguns, handguns, tranquilizer guns and shotguns. Built and/or customized battering rams, door prying bars, door hammers, towing hooks and other "forced-entry tools."

University of Southern Colorado, Pueblo, Colorado. 9/76-5/79 Volunteer Instructor in Continuing Education--Instructed adult students in classes of 1 to 5 people in English as a second language. This was done part-time for students that were having trouble with reading, writing and speaking the English language. I also taught some of the students the basics of typing, social "do and taboos", civics, geography, and American history.

#### SKILLS:

Computer knowledge--PC, Macintosh, and Smith-Corona, with Word & WordPerfect software. Legal search engines: Westlaw & Lexis-Nexis Languages--Semi-fluent English/Spanish, some Russian. Tools--I have used all non-CNC power machine tools, most industrial manufacturing and all hand tools to include specialized gunsmithing, woodworking tools, grinders, welders and heavy manufacturing equipment. Security equipment--I have experience with closed circuit cameras, motion detectors, general surveillance, metal detectors, all firearms, security doors, lock manipulation, alarm systems, CPR and first-aid. Tae-kwon-do, police baton, and asp.
