Brief summary about Mesic Contracting LLC

1. Mesic Contracting has been in business for 30+ years.
2. The owner, Tim Mesic, worked in a manufactured home plant for 8 years before starting his own company which specializes in manufactured homes.
3. During the time of Tim's employment at the manufactured home plant, they produced over 10,000 units.
4. Tim has a broad range of knowledge of manufactured homes from the chassis, all structural components, codes, final finish and encompassing the entire range of the manufactured home process, including installation and accessory structures i.e. awnings, skirting etc.
5. In 1992 Tim opened Mesic Contracting and started by providing factory warranty service for most major mobile home manufacturers.
6. During the last 30 years Mesic Contracting has provided factory warranty service along with insurance restoration services to over 20,000 manufactured homes.
7. Tim Mesic is often called upon by major mobile home manufacturers and major insurance companies to advise on problem situations due to his vast experience and knowledge of the industry.
8. Tim Mesic currently provides training to adjusters by touring the manufactured home plant, walking the adjusters through the unique materials and construction techniques used in the manufactured home process and how they relate to an insurance loss in any manufactured home, park model, UBC/IRC or modular home.
9. The following insurance companies, Farmers, Foremost, AMIG, Farm Bureau insurance, as well as several others have sent their adjusters to participate in this training.
10. Tim's certifications are as follows:
 1. HAAG Certified Roofing Inspector – Certification # 201307112
 2. The Clean Trust/IICRC Certified – Water Remediation Technician and Applied Structural Drying Certification # 178414
 3. EPA Lead Certified – Certification # R-1-48438-14-00087
