Curriculum Vitae

EXHIBIT A

Biography (Brief Summary)

I am a thirty-year veteran with the Sacramento County Sheriff's Office and the Sacramento County Probation Department. I have several years of patrol experience in the Sacramento County area including the contract city of Rancho Cordova Police Department. My experience includes patrol, criminal investigations, jail operations, media relations, and personnel management with special emphasis on training. I have spent over 20 years in investigative assignments, either as a detective or a sergeant over investigation divisions. I have 14 years of homicide investigations experience and have investigated well over 500 homicides.

I am most recognized in the area of investigations and training with over twenty years of experience having trained approximately 10,000 law enforcement officers locally, statewide, and across the country. My experience is extensive in criminal investigations, investigative procedures, policies and resources, courtroom testimony, search warrants, interview and interrogation, and expert testimony. I have qualified and testified as an expert in criminal court (see expert testimony below) and testified in both state court and federal court.

My experience includes assignments to the Sacramento County Sheriff's Office Centralized Investigations Division to include Narcotics Investigations, Gang Investigations, and Homicide Investigations. I also am an instructor for POST's Robert Presley Institute of Criminal Investigations teaching investigators throughout the state of California on a wide variety of investigative techniques, resources procedures and laws. I have also been an instructor for the International Homicide Investigators Association teaching Basic Homicide Investigations to investigators throughout the country.
