

CURRICULUM VITAE

PERSONAL INFORMATION

Vincent Michael Fortanasce, M.D.

LICENSURE

New York, HI-277 January, 1972
Connecticut, 15710 July 28, 1972
California, A25976 February 28, 1976

EDUCATION

Residencies: University of Southern California/Los Angeles County Hospital
and Medical Center, July 1974-June 1977, Neurology

Institute of Living, Yale Affiliate Hospital, July 1972-June 1974,
Psychiatry Hartford, Connecticut

Internship: Nassau Hospital, New York, Cornell Affiliate, Rotating Internship,
1971-1972

Medical School: University of Padua Medical School
Graduated: 1970

College: Seton Hall University
Graduated: 1965, B.A. Biology
Minors in Philosophy, Theology and Languages
(Latin, French, and Greek)

Languages: Speaks fluent Italian and partial fluent Spanish
Reads French, Italian, Spanish, Latin

BOARD CERTIFICATION

Certified by American Board of Psychiatry & Neurology, 1978

Board Equivalency Training Psychiatry, 1977

AAEMG Association, July 1978, Active Member 2000

American Neurophysiology Association, 1984

Qualified Medical Examiner Certified, September 1991

Qualified Medical Evaluator QME #120168

Academy of Neurology Recognition Certification for Education,
1991, (CLERC)

Board Certified Neuro Rehabilitation by the American Society of
Neuro Rehabilitation Certified Member No. 77, September 28,
1992

American College of Forensic Examiner's Board Certified, 1996

American College of Forensic Medicine, 1996, Active Member of
American EMG Society

Certification of Sleep Medicine Board Review

American Board of Sleep Medicine (ABSM) Board Eligible, 2011

HONORS AND AWARDS

1971: Awarded Outstanding Intern of the Year, Cornell Affiliate
Nassau Hospital, New York

1985: Awarded Manager of the Year, Little League Baseball

1986: Outstanding Lecturer of the Year, University of Southern
California School of Medicine

1986: Outstanding Teacher of the Year, University of Southern
California, Department of Family Practice

1988: Outstanding Teacher of the Year, University of Southern
California, Department of Medicine

1988: Outstanding Lecturer of the Year, USC Family Practice

1994: Inducted into Little League Hall of Excellence in
Pennsylvania

LECTURE AND LECTURE SERIES

- 1977 TIA and Strokes
1978 Biofeedback and Chronic Pain Disorders Series
1979 Chronic Pain Disorders, Diagnostic Evaluation and Treatment Series
1980 Low Back Pain Differential Diagnosis Series
1981 Head Trauma Evaluation and Treatment Series
1982 1. Rehabilitation: Psychological and Social Factors
2. Mental Status Evaluation of Brain-injured Patients - Series
1983 1. TIA, Carotid Stenosis and Carotid Endarterectomy - Series
2. Aphasia
3. Dysphasia
4. Parietal Lobe Syndromes
5. Chronic Back Pain Diagnosis and Treatment Series
1984 Rehabilitation Neuro Psychological Evaluation

Rehabilitation Series to Daniel Freeman Staff including 20 lectures on:

1. Neurological Examination
2. Neuro Anatomy & Physiology
3. Stroke Syndromes
4. Stroke Care
5. Head Trauma Evaluation
6. Head Trauma Care
7. Spinal Cord Injury
- 8.-13. Compression Neuropathy (5 Part Series)
14. Aphasia
15. Agnosia
16. Ataxia
17. Hysterical Conversion
18. Psychological Sequelae to Neurological Injury, Stroke, Head Trauma, M.S.
19. Neurological Assessment Rating System
20. Neurological Assessment Rating System

1978-1983

Lecture Series to Orthopedic Fellows, Residents and Attendings at Rancho Los Amigos Hospital, University of Southern California.

1. Neuro-orthopedics Where Cooperation Is Needed
2. Neurological Exam for Orthopedists
3. Differential Diagnosis of Back Pain
4. Spinal Stenosis: Cervical, Thoracic, and Lumbosacral
5. Peripheral Neuropathies, 3 parts
 - A. Distal Motor Sensory Types
 - B. Mono Neuritis Multiplex
 - C. Compression Neuropathies: Median, Radial, and Ulnar Nerves
6. Chronic Pain Syndrome. Use of Pentothal and Sodium Amytal Interviews
7. Peripheral vs. Central Sensory Loss, Parietal Lobe Syndromes

Grand Rounds Lecture Series, University of Southern California Orthopedic Department 1979,1980, 1981, and 1982 Diagnostic uses of EMG in Orthopedics

University of Southern California Family and Internal Medicine Lecture Series:

- 1986-Stroke and TIA
- 1988-Cerebral Vascular Disease
- 1989-TIA, is it or isn't it

Rehabilitation Lecture Series for Therapist Speech, Cognitive, Motor, Sensory, Gait and Special Problems, six week course 1985-1989, 1991-2002

Entrapment Neuropathies
Grand Rounds, Methodist Hospital of Southern California 1987

Chronic Headaches vs. Acute Headaches
Rehabilitation Grand Rounds, Methodist Hospital of Southern
California- 1988, 1989, 1990

Patient Selection for Chronic Pain Treatment, Who Will Benefit?
