Professional Experience

Hipsley & Associates, Lexington, Kentucky - Equine Educators and Consultants

Providing a variety of services for many aspects of the horse business and related industries including association management and operations reviews; budget preparation; financial reviews; bylaws reviews; personnel searches and preliminary interviews; establishment of judges educational seminars and licensing criteria; coordination of educational programs; newsletter preparation; event management; equine related subject matter presentations; advice to legal counsel during litigation. Written numerous articles and monthly columns for equine publications. Client base ranges from domestic to foreign organizations: Professional Rodeo Cowboys Assn., Color Breed Council, Pinto Horse of America, Massachusetts Dept. of Public Safety, American Horse Council, American Miniature Horse Association, United States Pony Club, American Hanoverian Society, New Zealand Royal Agricultural Society, New Zealand Pinto Horse Assn, Andalusian Horse Society of New Zealand, New Zealand Western Riding Society, Appaloosa Horse Assn of NZ, International Andalusian & Lusitano Horse Assn., International Buckskin Horse Assn, British Miniature Horse Society, Norwegian Fjord Horse Registry, Fjord Horse International, American Hackney Society, Danish Fjord Horse Studbook, City of Providence Rhode Island, Johnson & Wales College, North American Riding for the Handicapped, Rocky Mountain Horse Assn. Appaloosa Horse Club, US Livestock Genetic Export [USDA Foreign Marketing Service], Kentucky Horse Council, Gypsy Vanner Horse Society, plus many state and local organizations as well as breeders and owners.

Work as equine consultant for legal counsel and others in matters associated with the business of horses. [details attached]

PasturesPlus is a portion of the consulting business for providing information and services to horse farm owners who are seeking advice and information on forage management programs, including pastures and hay production. Developed expertise in this area through formal education and practical experience in establishing forage stands, renovating pastures and maintaining pastures as a contract service provider and horse farm owner. Includes seedbed preparation, seed selection, seeding, fertilizing, herbicide uses, mowing and liming.

Adjunct Instructor - Kentucky Horseshoeing School, Richmond, Kentucky

Provide classroom instruction to students on the history and evolving uses of horses, breeds, types and uses and the role of the farrier to support and provide welfare for horses. The topics include conformation, gaits and movement as it relates to soundness and structural defects, cause and effect. Safety principles in working with and around horses. Demographics of the horse industry in the US today, along with business decisions and strategies for establishing a career as a farrier. Developed curriculum for introductory students entitled Horsemanship which established a foundation for developing an appreciation and understanding of the horse's influence of society and how the partnership works.

Executive Vice President - International Arabian Horse Association, Denver, Colorado

Served as the chief operating officer for this 32,000 member non-profit breed organization. Through internal initiatives, increased membership by 4,000 in 4 years. Worked direct with members of the Executive Committee in implementing policies and procedures; prepared financial reports, budgets, and status reports for the Board of Directors; supported annual audits of the financial activities; created periodic financial reports for officers; relocated assn offices from California to Colorado; hired entirely new staff for new offices; prepared organizational chart; wrote appropriate job descriptions; established employee policies and trained all new employees; coordinated the modification and implementation of new computer

software; served as executive editor for breed journal; established advertising and marketing programs, feature editorial assignment, overall conceptual design and layout. Coordinated corporate sponsorship program, event management for Canadian and US National Horse Shows, Arabian Horse Fairs, annual membership meetings, and licensed official educational seminars. Established and coordinated the racing programs for non pari-mutual and pari-mutual racing throughout the US. Coordinated public relations programs, newsletters, and event promotions. Implemented financial incentive programs, ie Arabian Breeder's Sweepstakes. Created internal marketing programs to sell specialty logo products to members and those with an interest in the breed.

Executive Director – American Morgan Horse Association, Shelburne, Vermont [formally Utica, NY]

Served as the chief operating officer of this 10,000 member non-profit breed organization. Worked with the members of the Executive Committee and Board of Directors to create and implement new programs. Prepared periodic financial reports. Prepared the annual budget for approval by the Board of Directors. Supported annual audit of financial records. Relocated office within the community. Assisted the Board of Directors in the acquisition of property for a permanent office in Vermont. Oversaw the operations of the breed registry, worked with legal counsel to restructure registry rules and regulations. Worked with legal counsel to handle legal matters. Served as breed journal editor, established advertising programs, feature editorial assignment and overall conceptual design and layout. Coordinated the publication of the national horse show programs, marketing program [*The Year of the Morgan*], and event management for the national horse show. Coordinated the implementation of a new computer online software system. Coordinated the first multi-breed advertising program in an effort to promote the equine industry in publications with a new targeted audience.

Field Secretary – Arabian Horse Registry of America, Denver, Colorado

Initial responsibility for contacting breeders with problems in completing registrations and transfers of ownership requirements. When correspondence with breeders and owners proved to be insufficient, personal visits were made to their farms for clarifications. If intentional misrepresentations were discovered action was taken against the breeder/owner. Worked with legal counsel to develop due process procedures. Participated in legal proceedings against breeders/owners. Conducted investigations into breeders/owners activities of improper registration and transfer, primarily due to deliberate acts of misrepresentation. Represented the organization at membership meetings, and presented new programs directly via public meetings. Created educational materials to assist breeders/owners in correctly supplying registration and transfer of ownership information, suggestions for improving record keeping, and definitions of acceptable conformation. Worked with the University of California on developing blood type parentage analysis procedures. Worked with Keith Farrell, DVM, Washington State University on the development of the freeze marking permanent identification program. Conducted research on the growth of permanent marks on foals in an effort to create a marking iron small enough to be used successfully on foals. Worked with Colorado State University in the implementation of the equine artificial insemination short course and worked as liaison with the breeders and their veterinarians on breeding issues. Traveled to Egypt to freeze mark all the Arabian Horses in the country under the supervision of the EAO. Coordinated the inspection of imported Arabian Horses into the US for quality of conformation standards in accordance with the Registry's standard.

Professor/Department Head, Equine Studies – Midway College, Midway, Kentucky

Managed the equine teaching unit including coordination of course content, instruction and advising students. Served as Division Chairman on President's Council and tenure committee.

Established curriculum for graduation criteria; prepared annual budget for department; handled all equine related donated gifts and contributions, oversaw the horse herd management and care, including farrier and veterinary care; and responsible for all aspects of the equine studies program. Taught courses: Introduction to the Horse; Equine Business Farm Management, Equine Reproductive Management; Equine Management; Horsemanship and Riding - Beginner through Immediate (Flat work and Over Fences); Practical Equine Management and Handling. Coached intercollegiate riding team.

Faculty Member/Instructor - University of Connecticut & University of Tennessee

Taught equine studies courses: Introduction to the Horse, Equine Breeding Management, Horse Judging and Selection, Horse Breed Promotion and Advertising, Horse Farm Management and Operation. Served as a student adviser on course selection and counseling for graduation. Faculty advisor to student activities clubs, including Intercollegiate Horse Show team. Coached intercollegiate horse judging team. Participated in contests at All American Quarter Horse Congress, National Horse Judging Contest[Harrisburg, PA], and Eastern States Horse Judging Competition. Participated as full-time faculty member in departmental committees and activities. Conducted research on reproductive physiology for collecting equine embryos, behavioral studies for stabled horses, and examined the interrelationship between the pituitary and the pineal glands and their effect on reproduction in the mare.

Superintendent of Horses - Instructor - University of Massachusetts, Amherst, MA

Managed the University teaching and research herd, taught lectures and laboratory classes in horse breeding; horse reproductive physiology; horse management and care; horse training – riding and driving; horse safety; veterinary and farrier care; equine research into behavior, nutrition, foaling and physiology. Coached the intercollegiate horse judging team. Served as the liaison to the State 4-H Extension office, providing educational support on a variety of subjects for training volunteer leaders and youth.

State Extension Specialist - Agricultural Education - University of Massachusetts, Cooperative Extension Service, Amherst, MA

Prepared and coordinated agricultural based educational curriculum and programs for educators in conjunction with agricultural producers [i.e. MA Farm Bureau, MA Horse Council, Ocean Spray NY-NE Apple Producers, MA Maple Sugar Producers, American Water Works, USDA Agricultural Inspection Service, Agriculture in the Classroom] for distribution throughout the state Coordinated and conducted teacher education workshops and in-service programs. Admitted to graduate teaching faculty. School of Education. Provided educational resources for classroom programs. Wrote curriculum and work study guides for teachers and students. Worked with a non-profit Board of Directors in fund raising. Prepared informational brochures, press releases and quarterly newsletters. Presented educational concepts on learning agriculture and issues associated with the challenges being presented by animal rights organizations to professional educators.

Hipsley and Associates, LLC
International Equine Consultants
816 Hutchison Road
Paris, Kentucky 40361

Letter of Engagement/Fee Schedule – Equine Expert Consultant

Dear Attorney

This letter confirms that you have retained Wayne G. Hipsley, BSc., MSc., to work as an expert consultant in the field of horses, the science of horses and horse related activities.

Pursuant to our telephone discussions and verbal agreement, I will provide timely services to you and your client as an independent professional. In order for this to be accomplished promptly and provide your client the best service, deadlines for fulfillment are necessary as well as delineation of your expectations. Payment for the services I provide is not dependent upon my findings, nor on the outcome of the legal action, mediation, arbitration, or the amount or the terms of any settlement of the underlying legal cause, nor on any contractual arrangement between you, your client and any other person or party.

My minimum non-refundable engagement fee for services is:

\$1,000.00 (One Thousand Dollars)

due at the time this agreement is signed and returned. Invoices for services performed or expenses incurred shall be charged against the engagement fee until such time as the amount of the fee is exhausted. You may not formally identify me as either a testifying or non-testifying expert until such time as the engagement fee has been paid.

1. Fees for Services

You agree to compensate expert consultant for services rendered as follows:

- A. Except as outlined herein, I shall be paid by you at the rate of \$175.00 per hour for all tasks performed under this agreement, including but not limited to analysis, calculations and conclusions, preparation of reports, email preparations/communications, telephone conferences and meetings. There shall be no charge for initial consultation.
- B. When requested to perform a rush service, to accommodate deadlines for filings with courts and other governing bodies, and the cause is due to late contact/notification, an increase in the hourly rate will be charged, \$250.00 per hour, with all tasks being considered.
- C. Fees will be billed by the quarter of an hour, with a minimum charge for any discrete task.
- D. For testimony at a deposition and trial, I shall be paid at the rate of \$350.00 per hour, to be billed in hourly increments. This rate shall apply both while awaiting to give testimony, whether at an office or court, and including time taken for breaks or meals, as well as time spent actually giving testimony.
- E. For investigation and review at a location where an incident has occurred, I shall be paid at the rate of \$175.00 per hour, to be billed in hourly increments. This rate shall apply while I am waiting at the inspection site, actually reviewing matters, interviewing, and conducting a site survey. A two hour minimum will be billed, unless alternative arrangements have been agreed upon in advance of such site inspection.
- F. Travel requiring time away from my office, shall be billed at the minimum rate of \$300.00 per day for travel time to and from my office to the designated location, destination.

2. Expenses for Services

You shall agree to reimburse me for expenses as follows:

- A. Travel by personal motor vehicle: 50 cents per mile
- B. Travel by air or train: The actual cost of the round trip ticket, plus a ten per cent [10%] handling fee. The handling fee may be waived if you wish to make direct payment/purchase of the necessary tickets. I will purchase refundable tickets for any necessary travel, unless you instruct me otherwise or purchase the tickets on my behalf.

C. Travel related lodging: For any travel of more than ten [10] miles from my office, I shall be reimbursed for the cost of meals and lodging, plus a ten per cent [10%] handling fee for lodging. The handling fee may be waived if you wish to make direct payment/purchase of the necessary lodging.

D. Travel via rented automobile: For any travel requiring the rental of an automobile, I shall be reimbursed for the cost of a mid-size vehicle and any associated expenses including service fees, taxes, fuel, and insurance, plus a ten per cent [10%] handling fee. The handling fee may be waived if you wish to make direct payment/purchase of the necessary rental vehicle.

E. Expenses associated with photography, reproduction of documents and photographs, preparation of exhibits, express mailing/shipping, document faxing and other associated expenditures shall be reimbursed at reasonable market values.

3. Payment for Services

You are responsible for all payments for fees and expenses as outlined in this contract, regardless of any arrangement you may have with any party or parties you represent. I will issue bills on a monthly basis or whatever other interval I deem appropriate. Bills are due upon receipt, and shall be considered delinquent if unpaid more than thirty [30] days after their date of issuance. Interest shall accrue to any delinquent balance at the maximum rate permitted by law, not to exceed 1.5 per cent per month. All payments may be made to: Hipsley and Associates, LLC

This agreement shall be interpreted under the laws of the Commonwealth of Kentucky. Any litigation under this agreement shall be resolved in the trial courts of Fayette County, Commonwealth of Kentucky.

The affixing of your signature below represents your agreement with the terms set forth herein. Please return a signed copy of this agreement to my office, along with the required engagement fee. I look forward to working with you, providing the necessary service to support your client's needs.

Sincerely,

Wayne G. Hipsley

I hereby accept the terms of this agreement:

Date: _____ x _____

Client-Attorney
